Dear Neighbor,

I am writing to introduce a packet of information from the Department of Water Management. Our neighborhood infrastructure is about to improve, and we want you to know about the project in advance. I also want you to know my office will be paying close attention both to the work and to its impact on your lives and property.

Specifically, the project will see a new water main installed in W. Eddy Street (N. Southport Avenue to N. Racine Avenue). My office will be working with the Department of Water Management to ensure that your convenience is kept in mind as the project proceeds.

I have asked Commissioner John Spatz to be sure you are well informed about this project. If you have any questions or concerns, please don't hesitate to call my office at 773.525.6034. Together, we can all work to make this a model of community building.

Thank you for your time and attention to this matter.

Sincerely yours,

Thomas M. Tunney
Alderman 44th Ward
